

Patricia Cisneros organizes gift drive for The Golden Age Nursing Home

December, 2011

Mrs. Patricia Cisneros organized a gift drive to collect items for a local nursing home in need of everyday items for their residents. Both Lubbock Banking Centers participated and were able to provide each resident with 2 pairs of socks, a blanket, lotion and/or soap, a crossword or word find book and a couple other small gifts. The center also received extra soap and lotion, extra socks, gloves, brownie and cake mixes for activity time, various games, other small items and even a new VCR/DVD player. Thank you to Patricia and to the Lubbock Banking Centers for helping out their community and spreading cheer during the holidays!!!
