

## Scott Bentley to Co-Chair United Way Amarillo Canyon 2012 Campaign

*November 22, 2011*

Scott Bentley will serve as the 2012 United Way co-chair for Amarillo/Canyon United Way! He and John Woolery from BWXT-Pantex have agreed to take on this important and ambitious role for the community. We are proud of Scott and the wonderful leader he is for First United Bank and the Amarillo community.

The 2011 United Way Amarillo/Canyon goal was set at \$5,678,910. The organization surpassed that goal and raised a record \$5,723,097.

Bentley said he and Woolery will begin working on next year's plans immediately, and he will focus on retaining leaders from the 2011 campaign, as well as adding to that group.

Bentley said it will take a lot of work to continue to set fundraising records in future years.

"It's a huge challenge: To beat what they did this year is going to take a lot of work and a lot of dedication on lots of people's part," Bentley said. "It's a huge challenge, but we can do it."
